

Form APH discount for PhD candidates

PhD candidates of the VU Amsterdam, University of Amsterdam and Amsterdam UMC who are conducting a research project within the Amsterdam Public Health (APH) research institute are eligible for a 25% discount that applies to the course fee for the EpidM courses and/or the Master program in Epidemiology. The discount does not apply for EpidM exams.

Conditions for awarding the discount:

1. The PhD candidate is registered at APH.*
2. The PhD candidate has add their affiliation to APH to their research profile in the output registration system PURE.**
3. The 1st supervisor must declare via this form that the PhD candidate is conducting a research project within APH.
4. The discount must be requested before the start of the course/program.
5. This form must be sent to: epidm@amsterdamumc.nl.

* Ensure you are already registered to APH via [Registration \(amsterdamumc.org\)](https://www.amsterdamumc.org/registration).

** To get instructions on how to add affiliation and complete the PURE profile, go to [Researchers profile and Pure \(amsterdamumc.org\)](#).
