

# “Form APH discount for PhD students”

For PhD students of the VU Amsterdam and Amsterdam UMC (both locations VUmc and AMC) working on a project that is part of the Amsterdam Public Health research institute (APH), a discount of 25% applies to the course fee of the courses and/or the Master program in Epidemiology.

Conditions for awarding the discount:

1. The research project is embedded in the Amsterdam Public Health research institute. This means that the project must have been approved by the Scientific Quality Committee of APH before the start of the course.\*
2. The 1<sup>st</sup> supervisor declares that the person concerned will be awarded a PhD on an APH project.\*\*
3. The discount has been requested before the start of the course/program.

\* For embedding your project, go to: <https://www.amsterdamresearch.org/web/public-health/about/scientific-quality.htm>

\*\* An APH project is a project that has been approved by the Scientific Quality Committee of the APH research institute and has an SQC number or the old WC number (until 2018).
